

Project 6

Paddington Health Campus

Client:
Royal Brompton & Harefield NHS Trust, St Mary's NHS Trust, Imperial College London

Architects:
Skidmore, Owens & Merrill Architects
Ann Noble Architects

Estimated Contract Value:
£800m

Period of Involvement:
2000

Paddington Health Campus will create a world class clinical, research and teaching centre for northwest London. It will bring together the teaching hospital, St Mary's NHS Trust and the medical faculty of Imperial College London, including the National Heart and Lung Institute, all on one site on Paddington Waterside in London. Ann Noble Architects developed the briefs with the client team, prepared development control plans for the new and refurbished buildings, and the 1:200 layouts for key departments.
